STEWART CUP IS  
DOWN TO SEMI  
FINAL

Greig Defeats Gill in Close Match—Low Scoring Features Busy Day on Links.

The Stewart Cup tournament, the spring rolling fixture of the Oahu Country Club, has narrowed down to the semi-final round. With the elimination of T. Gill by James Greig yesterday, but four players are left to fight it out for the trophy, and incidentally, all the low handicap men are now out of it, the allowances of the four survivors ranging from 12 to 27 strokes.

Gill, at his new rating of plus 5, made a grand fight against Greig, who played with the generous allowance of 12 strokes. The latter rolled up a 49 on his first round, and Gill's magnificent 25 left him 2 down at the turn. With Greig dormie 4, Gill played better than par golf for three holes and was 1 down going to the final green. Both made a bogey 5, Greig with his stroke handicap, finishing 2 up.

The pairings for the semi-finals are: E. L. Spaulding (27) vs. J. Galt (22), Dr. G. T. Smith (15) vs. James Greig (12). The betting among the golfers is that Galt and Greig will meet in the finals, in which case the match should be a good one, with the odds as even as the handicaps.

Weather conditions were ideal for low scoring yesterday, and some unusually good cards were turned in. Frank Armstrong started the fireworks with a 25, accomplished with two sixes, which meant maximum-cut golf for the other seven holes. He started off with a par 4, and then took 6, one over par, for the second. The third was a bogey 4, and then came a marvelous run of five threes. Armstrong finishing the cup on the long seventh for a 2. With a 5 for the last hole to break the amateur record for the course, he got on a bad drive, and then made a splendid recovery. He tried to force his third to carry the green, however, and failed, taking another 6, giving him a 25, which tied the amateur record, held jointly by Harold Gilford and T. Gill.

Armstrong's card was: 4-6-7-2-2-3-3-6-25.

In the afternoon Alex Bell, the club professional, recited off his eighth 34, tying the course record. Twice before Bell has had a putt on the ninth green for a 22 and a new record, but yesterday his chances came on the second and fifth greens, where he missed easy putts.

His card was: 4-6-3-3-4-4-3-3-4-34.

SCHOFIELD BARRACKS  
FOLLOWS FORTUNES  
OF INFANTRY LEAGUE

The entire garrison of Schofield is taking a lively interest in the fortunes of the Infantry League, composed of eight company teams of the Second Infantry, which is now drawing its playing series to a close. Companies F and H are tied for first place, while there is another between E and G companies for third.

Following is the team standing to date:

	P.	W.	L.	Pct.
Company F.....	8	7	1	.875
Company H.....	8	7	1	.875
Company G.....	8	5	3	.625
Company E.....	8	5	3	.625
Company B.....	9	5	4	.556
Company C.....	9	2	7	.222
Company D.....	9	2	7	.222
Company A.....	9	1	8	.111

FIRST SACER OF  
FUTURE MUST  
BE HITTER

The big battle now between the various big leagues over the acquisition of promising first base material brings up the subject: Is the game progressing as far as the play in that portion of the diamond is concerned? It looks as if a pennant winning organization has got to have a hard hitting first baseman in his line, a slugger of the clean-up kind, in order to attain its end.

Great first basemen have shone from the first time the pastime attained national prominence. Among the old-timers the greatest slingers were "Pop" Anderson, Dan Brothman and Dave Orr. These men were of championship material throughout their careers, as far as their hitting was concerned, but in their time they were not called upon to play a perfect fielding game. It was Pat Debeau and Charles A. Comiskey who advanced the science of playing first more than any other two men in the business. Debeau and Comiskey introduced all the real fielding tricks and it was not until Frank Chance loomed up on the surface that they were perfected.

According to the records, Frank Chance is one of the greatest hitting and fielding first basemen in the game today. For eleven years he played the position and never did he fall below the .300 mark in his hitting. **Chance May Play.**

Report has it that Chance will get into the game next season when the Cubs start their battle for the National League pennant. This hardly seems possible. Chance has suffered from the many "bean balls" he has run up against, and it is doubtful whether he can get back into the form that he showed before his injuries. So it is that the Chicago team is on long search for the necessary material to develop a player of the "Chance caliber."

Saler had hit one of Mattie's fast ones, but he couldn't repeat when he faced the fadeaway king again. Then it was that the "change of pace" told its story. As Saler progressed his fielding efficiency increased through the able coaching he received from Chance, Kling, Archer and others on the team, but as the season advanced his ability to hit fell off and he was a mark for the best pitchers in the league. Saler may outgrow his bad stick work, but this can only come with experience, but the Cubs can't wait for that and must have other material.

President Murphy has secured one youngster, a left-hander named Agler, from Newark, and called the "Hal Chase of the Eastern League." If he can show the clever fielding ability of Jake Daubert and hit deceptive pitches successfully he may prove to be one of the coming stars.

"The greatest hitting and fielding first baseman of the future," said Johnny Kling, the ex-Cub now with the Boston Rustlers, "will be a left-hander. Of this I am certain, and I get my cue from the work of Daubert of Brooklyn, who beat the Cubs in two games by perfect fielding stunts when the squeeze play would have won games for them last summer prior to my trade to Boston."

The greatest hitting and fielding first baseman of the future," said Johnny Kling, the ex-Cub now with the Boston Rustlers, "will be a left-hander. Of this I am certain, and I get my cue from the work of Daubert of Brooklyn, who beat the Cubs in two games by perfect fielding stunts when the squeeze play would have won games for them last summer prior to my trade to Boston."

MERIT IN MEDICINE

The continued success of a medicine depends entirely upon its merit. For nearly forty years Lydia E. Pinkham's Vegetable Compound has been demonstrating its worth among women, as the greatest of all remedies for female ills, and the tremendous volume of letters on file in the Pinkham laboratory, at Lynn, Mass., from grateful women in all parts of the United States and Canada, are ample proof of its merit.

Lydia E. Pinkham's Vegetable Compound is a good, old fashioned remedy and enormous quantities of roots and herbs are used every year in making it the standard remedy for female ills.

Mrs. Anthony Dresel, in deference to the pleadings of her children, has consented to drop divorce proceedings against her husband.

## SUNDAY'S GAMES.

Walamae 8, Aiea 7.

Ewa 2, Waipahu 0.

The internal troubles in the plantation league over the signing of Pitcher Silva by the Ewa team, after the lists of players should have been turned in, did not break up the aggregation, and the threatened withdrawal did not occur. Instead, the four teams went merrily at it again yesterday, Walamae and Ewa proving the winners, by the scores noted above.

The batters—Walamae, Meyers and Simpson; Aiea, Kealoha and Rodriguez; Ewa, Fernandez and Blackley; Waipahu, Rainer and Dyson.

JAPANESESenior League Teams Come  
Together in Pre-Season  
Contest—Close Fight.P. R. C. S. J. A. C. A.  
J. A. C. Juniors, T. C. A. U. 4.

In spite of the disapproval of the Senior League authorities, the Portuguese and Japanese hooked up in a pre-season game yesterday afternoon, the former taking the long end of a 6 to 4 score, after a fairly good game. The point was made that Japanese teams should not play each other so soon before the opening of the regular season, but until the other players are in and approved, the Japanese had no control over the teams, and both the principals in yesterday's contest chose to disregard the wish of both the Japanese officers and the general public.

La Mere, the soldier first sucker, was tried out in the box by the P. A. C.'s, and made a good showing. He allowed five hits for the six innings in which he officiated.

The Portuguese put two men over in the second, and bunched three hits in the third to give them as many runs, a passed ball materially assisting in the result. The Japanese rapped the ball hard in the fourth, and got three runs themselves.

The first game of the afternoon was between the newly organized J. A. C. Juniors and the C. A. U., the latter showing good form and winning by 7 to 4.

Following is the block score of the main game.
